Candidates who wish to sit **both** the Level 3 Certificate Unit 3, Fire Safety (L3C3) and the Level 3 Certificate Unit 4, Management and Administration (L3C4) examinations will be able to take both of these papers during the afternoon. Candidates should complete the L3C3 examination first. At the end of the one-hour examination period (ie 2.30-3.30pm), the examination centre will need to remove the materials relevant to L3C3 and replace these with the examination paper for L3C4 and a new answer book to be used when completing the L3C4 examination. Candidates will then sit the L3C4 examination between 3.30 and 4.30pm. Centres/Candidates do not need to advise the IFE of this arrangement as this will be automatically processed at the point of examination booking.

Candidates who are taking only the Level 3 Certificate, Management and Administration examination should take this paper in the allocated slot of 2.30-3.30pm.

Timetable clashes: If candidates wish to take two examinations (other than L3C3 and L3C4) that are currently scheduled at the same time, please contact the IFE to discuss possible alternative arrangements by emailing adminstaff@ife.org.za
